Let us prepare any specialty items for you...even if they are not on this list

Since we began 35 years ago, **White Grass Cafe** has always been known for high quality, wholesome foods. We prepare everything ourselves...salad dressings, desserts & baked goods, our meats & BBQ. We use the freshest, best quality ingredients available to us. Local farmers provide most of our lettuces, greens, eggs, and vegetables seasonally.

All our catering is off premise (we come to your venue). We will gladly help you find a location in the Canaan Valley area to hold your event. Please contact Laurie Little, Owner of White Grass Cafe to make plans for your special event. 304-866-4114
